Akkadian

Akkadian 7.15 is a work-font for Sumero-Akkadian and Early Dynastic Cuneiform. Additions to Unicode 7.0 are displayed in **blue**. Early Dynastic Cuneiform is based on n4571: "Additional repertoire for ISO/IEC 10646:2014 (4th edition)" and is displayed in **green**. Previous versions contained 176 odd glyphs from early Cuneiform proposals; these glyphs were never approved and are hereby discarded.
